Grand Knights Message

By Dan Stoecklin

Brother Knights, let me start off this December Newsletter Message by wishing you and your entire family a very Blessed and Holy Christmas season. It certainly is a time for all of us to reflect on the true meaning of Christmas as we are flooded from every possible form of media on everything but the Birth of our Savior. The Knights of Columbus drive to "Keep Christ in Christmas" should be a personal goal for each of us throughout the next several weeks. In this most Holy season I hope all of you have had an opportunity to hear or read Pope Francis's *Evangelli Gaudium* (The Joy of the Gospel) in this document the Pope outlines new views, perspectives and direction for the Catholic Church and we as Knights will need to stand together in full support of the Holy See as directed by our Supreme Knight Carl Anderson. I have recently signed onto Twitter and have linked into the KofC and Pope Francis tweets. It is so very inspiring to see these messages and so easily follow up on the thoughts and prayers that goes into these messages.

Below are the links for both:
<https://twitter.com/KofC> and
<https://twitter.com/Pontifex>

Today's, Pope France Tweet: "**Your sins are great? Just tell the Lord: Forgive me, help me to get up again, change my heart!"** Being a active member of the Knights of Columbus can be most rewarding, knowing your time and effort is supporting the Catholic Church and helping our neighbors who may be most in need. One good example of this recently for our council was the Baby Bottle Drive that helped Catholic single mothers in our community offset the cost of caring for their babies. We need each of you to consider when and where you can help us at St Andrews build a stronger council that can provide additional support to our Catholic Faith community, here in the East Valley.

Merry Christmas and a Safe and Holy New Year

Vivit Jesus

Only having “through work” insurance doesn’t work

Do you know anyone whose life has been drastically changed by the recent recession and economic downturn? With unemployment numbers rising, and underemployment a reality, it's very likely that someone in your immediate or extended family or group of friends is facing financial uncertain now. With this uncertainty, there is a real possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that a personally owned life insurance policy is not necessary.

Only having “through work” insurance doesn’t work. This way of thinking should be a thing of the past for many reasons. Most forms of group life insurance are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low for your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage may be completely unrelated to needs at death.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire.

With the possibility of these changes on the horizon, you could one day find yourself without coverage, and if your health has changed (which it has and will as you age), you might also find yourself unable to secure individual protection.

While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis, so you'll know exactly where you stand.

**Essential Council News**

It is important for everyone handling food at our pancake breakfast or other food preparation activities to obtain or update their food handlers card. You can complete the course and testing on line from the convenience of your home at <http://www.statefoodsafety.com/food-handler/arizona/maricopa-county>. The cost is \$8 and it will take you a little over an hour to complete.

It is also important for Brother Knights to keep their “Call to Protect” certification up-to-date. The next formal class being held at St. Andrew the Apostle will take place on January 9 at 6:00 pm. If you have already attended the formal training in the past you can likely renew your certification with the Dioceses at <http://www.safeenvironmenttraining.org/index.php>

December 15th is our next pancake breakfast and this is a big one.....Santa Clause will be visiting and taking pictures with kids so any and all extra hands to help at this breakfast will be needed. Please try and attend so we can make this a successful event.

Monthly Meeting Highlights

A few notes from Sept./Oct. General Membership Meetings
 Grand Knight reported that the councils present membership remains just above 200 paid members, we have had about 25% respond to our membership survey and I have asked the officers attempt to contact those who may not have had the opportunity to complete the survey, so that we can provide the best program for all members.

We are looking for all active members to update their "Safe Environment Training (information is available on the SACFC web site) and also those Brothers who help with our KofC Pancake Breakfast or other food service activities, to make sure they too update their Maricopa Food Handlers cards, (this information is available on our council web site)

Do to a declining revenue stream we are having to reevaluate our annual budget and adjust our charitable giving until we can find new ways to support the critical activities of our council. Please provide any ideas you may have to one of our officers, ASAP.

Bishop Thomas J. Olmsted

For the Sake of the Mother and Child

For the sake of the Mother we pray she will choose life.
For the sake of the Child, already alive, yet not born,
we pray the child's life will be spared.

As St. Joseph and Our Blessed Mother protected Jesus,
we pray that all mothers choose life and protect their children.
