## January Pancake Breakfast

It's that old age question, "How many Knights does it take to make coffee". We have a supervisor, a taster, a measurer and the worker. This looks like a government sponsored job. There was a time when our Brother Knight Bill Dodder use to do the job by him self.

Now here is a Knight that knowes what he is doing. You can thank Larry Huffman for those sausages you enjoy at our breakfast.

Here are two of the lovely ladies that that have been setting up the serving lines before Mass and then serve breakfast to our hungry customers for many years, Dottie Woods and Rosemary Creamean.

## Thank You Santa

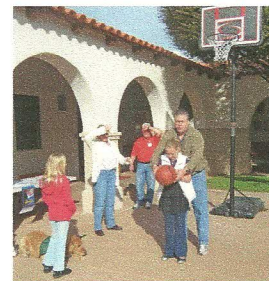

Again this year we would like to say "Thank you Santa and Mrs. Clause" (Greg and Diane Boardman). If you check out <http://kofc9482.org/santa2010.html> you can see the 87 pictures taken by Brother Bill Hoddy.

## 2011 Free Throw Contest

Again this year we held our Free Throw contest in conjunction with the January Pancake Breakfast.

Brother Bill Hoddy is doing the free throw registrations. Jim Woulf, Chuck McKay & Kevin Dumas are taking a break from the breakfast to watch.

Over the years we have found that holding the free throw contest in the church courtyard during a Pancake Breakfast works best. Here a father is showing his daughters how to hold a basket ball. We all had to start some place and as a family unit after Mass is a great start. If we held the contest in the parking lot or retention basin, this family would have missed a wonderful opportunity to interact.
