4th Degree Exemplification

We had three brother Knights from our council receive their 4th Degree Saturday June 11th at the Sheraton Crescent Hotel in Phoenix. The latest Sir Knights are Larry Orban, Michael Curry and Manny Gonzales. My unofficial list indicates our council now has 26 Sir Knights. Congratulations Sir Knights.

Installation of New Officers

We will have this year's installation of officers on Sunday, August 28th. The installation will be held shortly after the 11am Mass. That will give the 4th Degree Honor Guard time to change out of their regalia. All brothers participating in the installation should wear slacks, a white shirt & tie. Other brothers should wear their Knights shirt. There will be light refreshments served after the installation.

Greetings Brother Knights

Thank you for the opportunity to be your Grand Knight this fraternal year. I am sure that I speak for all the officers that it is an honor and privilege. A couple of my goals this year are to increase individual participation and raise our visibility as a group.

Upcoming events are:

Our next business meeting will be Tuesday, Aug 2 at 7:30 pm.

The Knights Mass on Aug 28 at the 11 o'clock service followed by the installation of officers in Hennessy Hall and luncheon. The 4th Degree will act as an Honor Guard at Mass.

I have established a membership committee and I want to thank the brother Knight who has stepped up to the task. If you would like to join this committee and help bring in new members, please contact me. The first meeting will be determined shortly.

I will also be looking for volunteers to coordinate the PID (People with Intellectual Disabilities / Tootsie-Roll) drive and individuals to work the ASU games, pancake breakfast, state raffle as well as other opportunities that arise. Don't forget Rosary Sunday in October. Let's see if we can get a group together both as workers and participants.

If a brother has any existing area of charitable or fraternal interest that he would like to develop prior to presentation at a business meeting please contact me and I would be happy to help.

It is already shaping up to be a busy year and many hands make light work. Let us have a exciting and productive fraternal year!
